

Position Open:
Staff Engineer
Engineering Department

The purpose of this classification is to assist Engineering staff in preparing technical drawings, maps, specifications, and other illustrations for planning, organizing, coordinating, and evaluating all activities relating to community planning, development, and construction of civil engineering projects, such as roads, drainage, flood control, water treatment, water distribution, wastewater treatment, wastewater collection, airports, solid waste management, landfills, GIS, and surveying. Employees in this classification serve in a project manager capacity for various projects within the disciplines of City government, including project development, design, consultant coordination, construction administration, inspection, and project closing, and direct and assist the Engineering staff in gathering field data.

Minimum Qualifications are below:

- Possess a high school diploma or GED equivalent;
- Possess and maintain a valid Kentucky Driver's license;
- Bachelor's degree in engineering, or closely related field;
- Two years of experience in engineering, surveying, and plan review; or any equivalent combination of education, training, and experience which provides the requisite knowledge, skills, and abilities for this job.

Applications will be accepted at City Hall, 77 N. Main Street, Madisonville, KY 42431. Applications are also available online at www.madisonvilleliving.com and www.indeed.com.

The City of Madisonville is an Equal Opportunity Employer.
